

OFFICIAL COUNTY COMMISSIONERS' PROCEEDINGS

MAY 17, 2022

The Board of County Commissioners met in regular session in the Commissioners Meeting Room of the Sublette County Courthouse on this date at 9:00 a.m. with Tom Noble, Doug Vickrey, Sam White, Dave Stephens, Matt Gaffney, Clayton Melinkovich, Brady Oltman representing the Pinedale Roundup, and Carrie Long, County Clerk, present. Joel Bousman was excused.

Vice-Chairman, Tom Noble, led those present in the Pledge of Allegiance.

The agenda was approved on motion by Commissioner White, seconded by Commissioner Vickrey with the removal of Dennis Fornstrom from the agenda. Motion carried.

The minutes from the previous regular meeting held on 5/3/22 were approved and ordered filed on motion by Commissioner Stephens, seconded by Commissioner White. Motion carried.

Billy Pape, Road & Bridge, updated the Board on activities. Commissioner Stephens asked about a free dump day for Sublette County residents. Pape explained he could schedule a free dump day but citizens would need to take the items to the Landfill in Marbleton because the Transfer Station in Pinedale is not equipped to handle the volume of traffic created by a free dump day, potentially causing a violation of DEQ regulations.

Mike Jackson, Rio Verde Engineering, updated the Board on the proposed completion of the Fremont / Skyline Drive project. Jackson stated payment of \$965,000 from Sublette County portion is due on 7/1/2022. He also stated the program manager will be seeking additional funding of \$1.7 million to finish the project if Sublette County could commit an addition \$180K in matching funds. Commissioner White made a motion to plan for and commit an additional \$200,000 in the FY23 Budget for the completion of the project in the Fall of 2022. Commissioner Stephens seconded the motion. Motion carried.

Jackson also presented a letter of support for Board approval regarding the proposed marina upgrades at the Lakeside Lodge. It was moved by Commissioner White, seconded by Commissioner Stephens to approve the letter. Motion carried.

Jay Brower, Fair Grounds Manager, requested direction from the Board regarding a handicap ramp for the Community Building located at the Fair Grounds. Brower was instructed to get the building evaluated as to structure and life expectancy and update the Board at a future meeting with estimates for potential repairs or replacement costs.

Todd Hurd, Forsgren Associates, updated the Board on projects.

Carie James, Marbleton Senior Center, and members of the Senior Center Board, met with the BCC with a request to proceed with remodeling plans. Vice-Chairman Noble requested the Senior Center Board obtain an engineer and get an estimate for planning the remodel. He stated the BCC would commit to reviewing the initial expense of an engineer, but would have to wait and see how extensive the work would be before committing to the design or remodel.

A motion was made by Commissioner White, seconded by Commissioner Stephens to approve a letter of appreciation to Peggy Winters and family for four decades of work on the Mosquito Abatement District #1. Motion carried.

Commissioner White made a motion to appoint Bob Jones (3-year term); Mike Henn (4-year term); and Josh Adams (5-year term) to the Mosquito Abatement District #1. Commissioner Stephens seconded the motion. Motion carried.
