Wildlife Guidelines:

YOU CAN PREVENT WILDLIFE
CONFLICTS: DON'T FEED!
DON'T APPROACH! DON'T HARASS!

KEEP AWAY FROM MOOSE

Moose are frequently seen throughout Sublette County. They are great to watch from a distance, but up close moose can be very dangerous. ALWAYS keep your distance and never allow dogs to bark at or chase moose! Moose may charge and attack aggressively when they feel threatened.

NEVER, EVER FEED A BEAR

Bears have an excellent sense of smell and a great memory. Feeding or allowing one to eat your trash can be an automatic death sentence. Bears that seek food from human sources will need to be killed. Secure your trash by locking dumpsters, using bear-proof trash cans, ONLY put trash out the morning of pickup and don't leave food in your vehicle.

WHEN IT COMES TO WILDLIFE

Be Responsible, Be Ethical, Be Bear Aware
